Cardiac Preoperative Clearance — Referral

Fax this page with the patient's **face sheet** and **medication list** (plus any recent ECG, labs, or cardiac records). **We call the patient to schedule** — nothing else is needed from your office.

1 · PATIENT — if demographics and insurance are on the attached face sheet, no need to repeat them here

Patient name (last, first) _____

Date of birth _____

Patient cell phone _____

Insurance / plan (skip if on face sheet) _____

Member ID (skip if on face sheet) _____

Authorization # (HMO) _____

Preferred language _____

Primary care physician _____

PCP fax (for copy of letter) _____

2 · PLANNED SURGERY AND TIMING

Procedure _____

Surgery date: _____ ☐ Scheduled ☐ Tentative ☐ Routine timing

☐ Within 72 hours — **please also call 818-724-8200**

Planned facility

☐ Not yet known Facility: _____

Anesthesia

☐ General ☐ Regional / spinal
☐ MAC / sedation ☐ Local

3 · REFERRING OFFICE

Surgeon _____

Practice _____

Office phone _____

Fax for the clearance letter _____

Scheduler / contact _____

Direct line or extension _____

4 · REASON FOR EVALUATION (check all that apply)

☐ **Routine** preoperative evaluation
☐ Atrial fibrillation / arrhythmia
☐ Abnormal ECG
☐ Blood thinner / antiplatelet plan
☐ Coronary disease / stent / bypass
☐ Valve disease or murmur
☐ Chest pain, dyspnea, or syncope
☐ Facility or anesthesia requirement
☐ Heart failure or cardiomyopathy
☐ Pacemaker or ICD
☐ Multiple risk factors (DM, CKD, age)
☐ Other: _____

HMO PATIENTS Refer to **Menachem Wakslak, MD** · Board-Certified Cardiologist · Valley Heart and Rhythm Medical, Inc. · NPI [NPI]

What happens next: we call the patient to schedule, complete the evaluation and any needed cardiac testing, and fax the clearance letter, consult, and test reports to the number above, with a copy to the PCP. If anything could delay surgery, we call your office first. **Feel free to call or text 818-724-8200 with any questions.**
